PROFESSIONAL SUMMARY

Aspiring Full Stack Web Developer with a strong foundation in Computer Science and hands-on experience building modern, responsive web applications. Currently gaining full-stack experience as a MERN Stack Trainee at Excellence Delivered, complemented by a 3-month remote Frontend Development internship at CodeAlpha. Combines technical proficiency in React.js and Node.js with strong communication and problem-solving skills to deliver clean, user-focused web solutions.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS, Bootstrap

Backend: Node.js, Express.js, MongoDB (Learning)

Tools & Version Control: Git, GitHub, MS Office Suite

Soft Skills: Communication, Problem-Solving, Team Collaboration, Data Accuracy

Languages: English (Professional), Urdu (Native), Punjabi (Native)

PROFESSIONAL EXPERIENCE

Excellence Delivered (ExD) — MERN Stack Trainee

Jun 2026 – Present

Apprenticeship · Lahore, Punjab, Pakistan · On-site

- Training in full-stack application development using the MERN stack (MongoDB, Express.js, React.js, Node.js), building hands-on proficiency in JavaScript, React.js, and related tools.
- Working on RESTful API development and full-stack application architecture as part of an intensive, apprenticeship-style program.

CodeAlpha — Front-End Developer Intern

June 2025 – Aug 2025

Remote

- Developed and styled interactive, mobile-responsive web applications using HTML, CSS, JavaScript, and Bootstrap.
- Utilized Tailwind CSS to implement modern UI/UX practices and optimize frontend layouts.
- Collaborated with team members using Git and GitHub for version control and efficient code management.

EDUCATION

University of Agriculture — Bachelor of Computer Science (BSCS)

2023 – 2027

Faisalabad, Pakistan

Army Public School & College — Intermediate in Computer Science (ICS)

2021 – 2023

Mailsi Garrison

Army Public School & College — Matriculation (Computer Science)

2019 – 2021

Mailsi Garrison
